ABOUT THE PROJECT

A XIX century building located in Chiado/Santa Catarina, transformed into a luxury residential building consisting of 7 apartments with garage. From one-bedroom to four-bedroom duplex apartments with areas between 110sqm and 300sqm.

The building's renovation will keep its original features such as its historical façade or its ceiling heights, adding also all the comforts of luxurious modern living. The duplex flats of the top floor have an amazing river view.

LUXURY APARTMENT IN CHIADO

This building represents an opportunity to acquire a prestigious apartment right in the heart of Chiado and within easy walking distance of the city's best restaurants and cultural offering.

The Development occupies a former grand townhouse. Centrally located and just 150 metres from Praça Luís de Camões, one of Lisbon's most photographed and most lively squares, it is easy walking distance to the opera house, shops and attractions that Chiado, Baixa and Barrio Alto have to offer. It is also minutes, by car or taxi, to Lisbon's main commercial and business address, the Avenida da Liberdade.
